TO WHOMSOEVER IT CONCERN

This so to certify that 54 students of 1st year BHMS from Monark homoeopathy medical collage, Monark university, Ahmedabad have visited our Government herbal Botanical Garden, sector-20 on 20th February 2026 along with Three faculties as a part of their academic curriculum.

Student Visited and learnt about different medicinal plants, their identification, Cultivation and medicinal value. We wish visit was helpful for students to understand herbal plants related subject better.
